

MEVA STRATON

The MEVA STRATON APC is a Light Armoured Personnel Carrier. It is available in (2 + 6 and 2 + 8 seat versions).

Designed to provide maximum protection to military forces, SWAT, law enforcement agencies, peacekeeping organizations and police units in urban and off-road environments whilst maintaining economical MRO (Maintenance, Repair and Overhaul) options.

Constructed using a monocoque design, the STRATON provides ballistic protection up to CEN B6 Level ballistic and in addition blast threats including DM51 grenades and anti-personnel mines.

Counter-Terrorist Operations

- Patrolling in high intensity areas
- Special Forces Operations
- Quick Reaction Teams.

Conventional Operations

- Armed
- Raids in open or desert terrain
- Convoy protection
- Riot control
