

THE G17 GEN5 FR COYOTE

This pistol was thoroughly tested during the tender process and is currently being deployed to several user groups within the French Armed Forces.

This specific configuration of the G17 Gen5 FR is the first Gen5 pistol model featuring a coyote colored frame.

With a black slide and front serrations, luminescent U-shaped sights and an extended slide lock it may now be ordered for all markets, including for civilian users.

- The front serrations
- The ambidextrous slide stop lever
- The nDLC finish
- The GLOCK Marksman Barrel
- The absence of finger grooves on the frame
- The flared frame
- The reversible magazine release
- The smoother trigger pull

Additional features are:

- Coyote colored frame
- Luminescent steel sights
- Lanyard Clip
- Extended slide lock
