GLOCK x Aimpoint

GLOCK PERFECTION MEETS AIMPOINT PERFORMANCE

Aimpoint

● Performance from Trust

The Aimpoint A-Cut™ interface allows for the sight to be mounted deeper into the pistol slide for extreme stability and durability.

The Aimpoint COA™ optic comes factory installed on select GLOCK pistols. The sight features 3D orientation for fast, accurate target acquisition.

GLOCK PERFECTION® *meets* AIMPOINT PERFORMANCE

The leading global manufacturer of pistols and the pioneer of red dot sights delivers an exclusive package: the GLOCK pistol with Aimpoint COA Combo. The exclusive package features select GLOCK pistols with Aimpoint A-Cut interface and the ultra-compact Aimpoint COA™ optic installed. The direct mounting enables a deep setting for extreme stability and durability.

Pistols come as package with Aimpoint COA(TM) optic factory installed with Aimpoint A-Cut(TM) interface. Available in limited quantities.

AIMPOINT A-CUT™ INTERFACE

SPECIALIZED DIRECT CUT MOUNTING SOLUTION.

The Aimpoint A-Cut allows **secure and reliable hold** of the new Aimpoint COA red dot sight.

The unique cut from Aimpoint enables the sight **to be directly mounted into the slide**.

AIMPOINT COA™ RED DOT SIGHT

THE AIMPOINT COA RED DOT SIGHT COMES IN A COMPACT DESIGN MOUNTED DIRECTLY ON THE SLIDE.

The **fully enclosed emitter** protects the sight and makes it a versatile and rugged addition to the GLOCK pistol.

The wide field of view provides **great situational awareness**.

The robust rear sight, which is part of the **mounting solution**, enables co-witnessing.

THE G44® GLOCK'S .22 LR RIMFIRE PISTOL

GLOCK's .22 LR rimfire pistol is lightweight and accurate. With many of the same features and latest Gen5 technologies of larger-caliber GLOCK pistols, this is the one to have for training, field carry, and just plain fun when target shooting!

TRAINER, COMPETITOR, AND LOADS OF FUN — IT'S ALL IN THE G44:

- GLOCK SAFE ACTION® System
- Threaded barrel option available (not standard)
- Light recoil
- Spare magazine and cleaning tools included

.380 AUTO

The .380 AUTO saw a remarkable resurgence in popularity for concealed carry over the last decade, due to advancements in ammunition technology. GLOCK meets the demand for an ultra-reliable handgun that makes the most of this small round with the G42 pistol.

THE ULTIMATE CHOICE FOR CONCEALED CARRY IS GLOCK'S G42 PISTOL CHAMBERED IN .380 AUTO:

- Small size, big performance
- Minimal recoil, notable accuracy
- Self-defense in a highly concealable package
- Effective defensive ammunition readily available

6

.40 S&W PISTOLS

.40 S&W

A proven round for law enforcement use, self-defense, competition, and casual target shooting, the .40 S&W is a powerful cartridge without being overwhelming. Its efficient size also contributes to improved magazine capacity.

The powerful .40 S&W GLOCK family:

- Efficient size, impressive power
- Documented terminal performance
- A cartridge for all occasions: self-defense, field, and competition
- .40 S&W GLOCK Gen5 pistols have improved control and handling

GLOCK+

GLOCK pistol accessories manufactured by GLOCK.

These accessories meet the uncompromising GLOCK quality standards and enhance your firearm's performance.

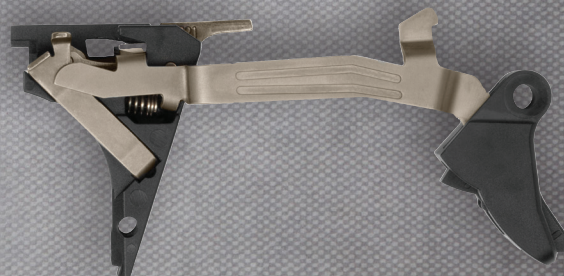

GLOCK® TACTICAL LIGHT II

The new GLOCK Tactical Light (GTL II) specially designed for standard frame GLOCK pistols with a mounting rail. (Does not fit Slimline)

GLOCK® PERFORMANCE TRIGGER

The GLOCK Performance Trigger meets the criteria for those looking for an enhanced trigger pull and ergonomics. Available in 9x19mm, .40 S&W, and .22 LR calibers.

FLARED GLOCK® MAGWELL

The flared GLOCK Magwell allows for faster and more accurate magazine reloads making it a great add-on to your GLOCK pistol. Fits Models: G17 Gen5, G22 Gen5, G34 Gen5, G45 and G47.

GLOCK ACCESSORIES

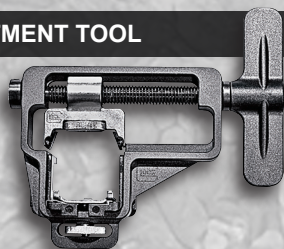

FULLY ADJUSTABLE REAR SIGHT

Equipped with a contrast insert that enables simple, accurate, and fast alignment, the GLOCK Adjustable Rear Sight has a low-profile, point-of-impact positioning that is adjustable in elevation and windage. Supplied with adjustment tool.

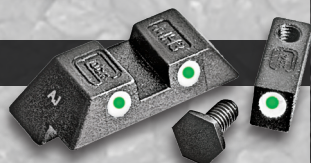

REAR SIGHT ADJUSTMENT TOOL

A versatile, easy to use adjustment and installation device for GLOCK rear sights.

FIXED NIGHT SIGHT

Tritium contrast points that illuminate in color at night, visible as white in daylight.

FIXED REAR SIGHT

This sight is available to compensate for various types of ammunition. Available in 6.1mm, 6.5mm, 6.9mm, and 7.3mm heights.

STEEL SIGHTS

GLOCK offers fixed steel sights as an alternative to the well-known standard polymer fixed sights.

FRONT SIGHT MOUNTING TOOL

For installing the GLOCK screw-on front sight (all versions), simply screw the front sight onto the slide of the pistol. By turning the screw, the front sight is easily installed and locked in place.

**NON ARMORED PACKAGED SMALL PARTS
NOW AVAILABLE AT [STORE.GLOCK.US](https://store.glock.us)**

FOLDS DOWN FOR EASY STORAGE

ENTRENCHING TOOL

A must-have for any outdoor enthusiast, this innovative entrenching tool has a surface-treated blade that can be locked in three positions for multiple uses. The hardened saw located inside the handle can be quickly mounted if required. When folded, the GLOCK Entrenching Tool can be easily stored in a backpack or vehicle. Comes with a durable nylon pouch that can attach to a belt or backpack.

AVAILABLE COLORS: BLACK • SNIPER GREY • FLAT DARK EARTH • BATTLEFIELD GREEN

SURVIVAL KNIFE MODEL 81 WITH SAW

The GLOCK Survival Knife is made of a special hardened steel, with polymer handles and black, anti-corrosion-coated blades for maximum durability and ruggedness. Knives come with matching sheaths made of high-impact-resistant polymer material and feature a loop catch that allows for quick drawing with only one hand. They fit belts up to 2.4 inches (60mm) in width.
