The AH001 high protection anti riot helmet offers riot protection with a high impact shell. This popular model is used by law enforcement and military troops worldwide.

It provides:

- Complete head, neck, and face protection against non-ballistic threats.

The materials used are:

- Highly impact-resistant fiberglass.
- Shock-absorbing foam padding with adjustable head band and chin strap.

AH26

MODEL AH01	Anti Riot Helmet
Protection	It should protect head, face and back of the neck against acids, inflammable liquids and hard weight objects.
Body Material	reinforced ABS, imported or indigenous material.
Material of visor	Polycarbonate and visibility up to 85 %.
Neck protection	Natural leather waterproof of 18 ± 1cm long.
Thickness of visor	3mm.
Parts	Designed to connect with ear/headphone and gas mask.
