

Sporting rifle M70 USA STYLE

Sporting Rifle M70 American Style is a version of model M70 Standard with some specific features:

- no iron sights,
- distinctive finish (gold trigger, polished metal parts, varnished stock)

Sporting Rifle with original Mauser locking system. Barrel is made of chrome-vanadium steel, by cold forging - guaranteeing high precision, constant accuracy and durability.

Stock for sporting rifle M70 is made of selected quality walnut.

Types of stock that a customer can choose are: Pig Back and Monte Carlo.

Recoil pad is made of rubber and grip cap is made of walnut.

Sporting rifle M70 is a safe gun; trigger mechanism is blocked by a lever-type safety.

Metal swivels provide secure assembly of the sling.

When purchasing this type of sporting rifle, the customer can choose one of the following types of trigger mechanism: with **single trigger with single trigger DAT** (possibility to push the trigger forward and get light trigger pull) with double trigger (possibility to prepare for firing with one trigger and then have light trigger pull on the other trigger)

The receiver of the sporting rifle has 4 threads with protective screws.

Threads are used for connection with **optical sight bases, which are mounted optionally.**

Standard finish is blue, and wooden parts, made of quality walnut, are oiled and polished
