

DEAR BUSINESS PARTNER,

with the 12th and 14th sanctions package against Russia and Belarus, the European Union inserted the “No Russia Clause” and “No Belarus Clause”. The purpose of these is to combat the circumvention of EU export bans and, in particular, the situation where goods exported to third countries are re-exported to Russia and/or Belarus.

According to Council Regulation (EU) No 833/2014 in its up-to-date version, the so-called "No Russia Clause" must be contractually agreed between the contracting parties. The clause is a legal requirement that must be included into contracts between GLOCK and its business partners for contracts concluded as of or after 19 December 2023. In addition, and according to Council Regulation (EU) No 765/2006 in its up-to-date version, this is also applicable for Belarus and must be included into contracts between GLOCK and its business partners for contracts concluded as of or after 01 July 2024.

IT IS NOT POSSIBLE TO DO ANY BUSINESS WITHOUT AGREEING TO THE 'NO RUSSIA/BELARUS CLAUSE'.
