

# Laser Range Finder LW600PRO

## Range Finder S7

LW-600PRO is measuring up to 600m, integrates 8 modes in one: Ranging/Scan, Fog, Advanced Pinsensor Tech, Horizontal Distance, Vertical Height Measurement, Speed.

Water-proof, durable body, compact size, perfect for carrying without extra weight or bulk.

Optics system: 6 X 32, multi-coated lens, ultra clear viewing, diopter adjustable, totally one-key to measure, one-key to switch mode, auto power-off in 15 seconds inactivity.

Range measure accuracy is  $\pm 1$  yard.

Meter & Yard unit can be changed

### Specifications:

Range: 5-600 m  
Objective Lens: 21mm  
Magnification: 6X  
View of Field: 7.2°  
Pupil Distance: 16mm  
Range Accuracy:  $\pm 1$  m  
Angle Accuracy:  $\pm 1^\circ$   
Laser: Class 1 Eye safe  
Battery: 3V (CR2)  
Weight: 155g  
Size: 105mm\*37mm\*70mm  
Waterproof: IPx4  
Color: Black  
Max Range: 600M, 1000M, 1500M

### Function:

- Ranging (Scan)
- Pinseeker
- Pinseeker + Slope
- Fog Mode
- Horizontal distance + angle
- Vertical Height Measurement
- Speed
